RESPONSIBILITIES

Chris is a Partner at NJL Consulting LLP providing specialist advice on development planning.

EMPLOYMENT TRACK RECORD

Chris joined NJL in 2009 from Cushman and Wakefield where he was head of the Manchester Planning and Environment Team.

Prior to this Chris worked for Matthews and Goodman in Manchester for 7 years where he led the Planning Team for 2 years.

He has previously worked for Chesterton Planning & Consulting in Manchester and Halton Borough Council.

PROFESSIONAL EXPERIENCE

Chris has over 14 years experience in development control, development plan and appeal related work in both the public and private sector. His work involves:

- Submission and negotiation of major planning applications
- LDF & policy formulation
- Planning policy appraisals and strategies
- Development evaluation
- EIA preparation / co-ordination
- Submission of appeals / appearance as an expert witness
- Consultation strategies
- Strategic site assessments

He has been involved in and has advised on a wide variety of town planning and development matters throughout the UK. These include major town centre regeneration schemes, retail development, office and industrial projects, redevelopment and extension of Listed Buildings and changes of use.

Chris has advised a broad range of clients including landowners, property investors and developers on the implications of development plans and has experience of representing both public and private sector clients at all types of planning hearings.
